**ANNOUNCEMENT**

Number : 877/DJSDPPI.5/SP.04.09/12/2021

**ABOUT**

**APPLICATION FOR CERTIFICATE OF TELECOMMUNICATION TOOLS AND/  
OR DEVICES THROUGH RISK-BASED BUSINESS LICENSING**

As has been determined:

1. Government Regulation Number 5 of 2021 concerning Implementation of Risk-Based Business Licensing;
2. Government Regulation Number 46 of 2021 concerning Post, Telecommunications and Broadcasting; and
3. Circular Letter of the Minister of Investment/Head of BKPM No. 17 of 2021 concerning the Transition of the Implementation of Business Licensing to the Implementation of Risk-Based Business Licensing,

then the application for Certificate of Telecommunications Equipment and/or Equipment as Business Licensing to Support Business Activities (PB UMKU) is carried out through the OSS Institution of the Ministry of Investment/BKPM on the page <https://oss.go.id/>.

In connection with the foregoing, attached is the application guide for Telecommunication Equipment and/or Equipment Certificate through the OSS Institution.

Thus, we convey this announcement, so that it becomes a guide in its implementation. We thank you for your attention and cooperation.

Issued in Jakarta  
On December 5, 2021

Appendix Number : 877/DJSDPPI.5/SP.04.10/12/2021  
Date : 5 Desember 2021  
Regarding : Announcement regarding Application for Certificate of Telecommunication Equipment and/or Equipment through Implementation of Risk-Based Business Licensing

## A. GENERAL INFORMATION:

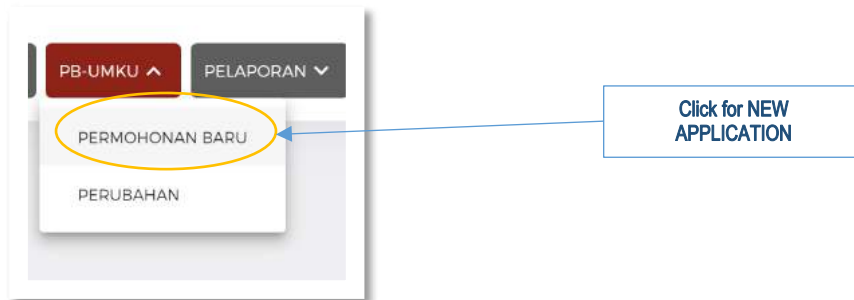

1. The process of PB UMKU Certificate of Telecommunication Equipment and/or Equipment through the OSS Institution is only intended for new applications, while applications for Revision/Repair or Transfer of Certificates are still carried out through the E-Certification application of the Directorate General of SDPPI on the website <https://sertifikasi.postel.go.id> for more information.
2. The requirements and types of KBLI that have been determined for PB UMKU Certificate of Telecommunication Equipment and/or Equipment can be seen at the following link <https://oss.go.id/informasi/umku>. If the business actor does not have one of the 74 types of KBLI, it is necessary to amend the Deed of Business Entity for further NIB renewal.
3. The procedure for submitting PB-UMKU in general can be seen at the link <https://oss.go.id/panduan>.

## B. GUIDELINES FOR APPLICATION FOR CERTIFICATE OF TELECOMMUNICATION TOOLS AND/OR DEVICES

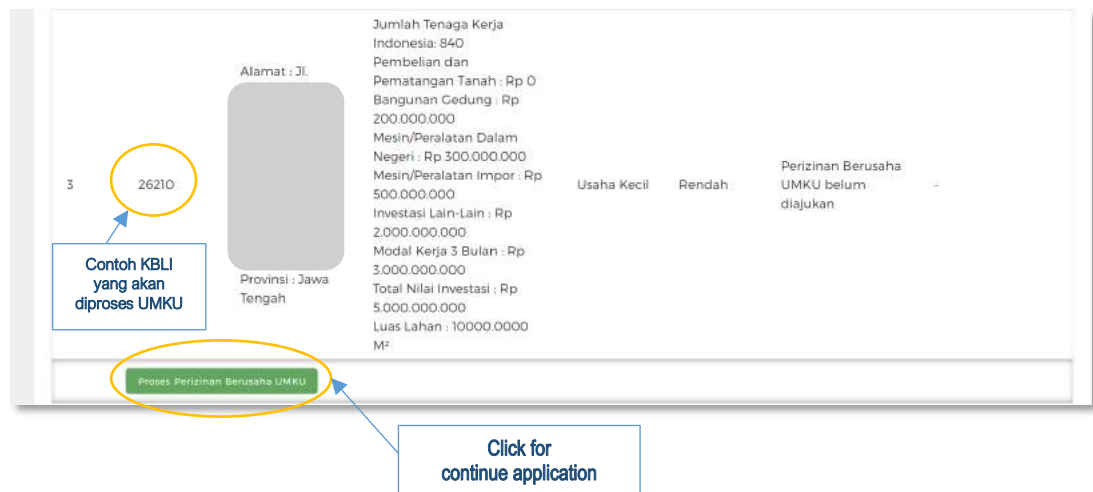

1. Make sure you have a risk-based NIB obtained on the page <https://oss.go.id/>

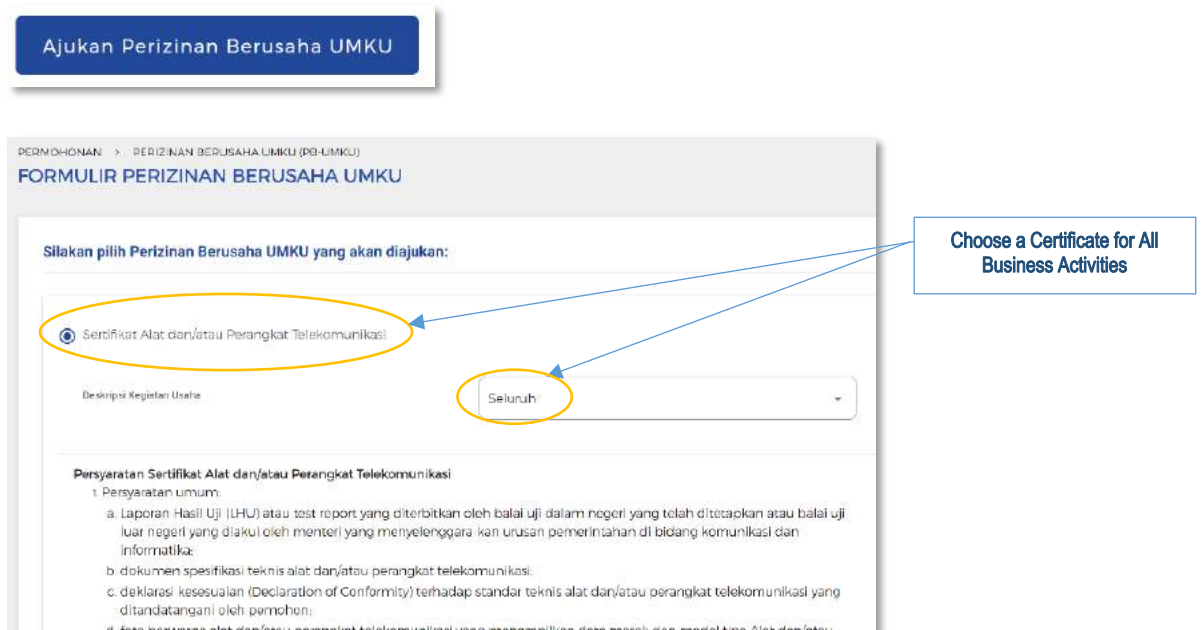

2. Login to the OSS application and select "PB-UMKU" to submit a New Application for Telecommunication Equipment and/or Equipment Certificate

3. Determine the KBLI to be submitted, then select "UMKU Business Licensing Process".

4. Apply for UMKU Business Licensing and select Telecommunication Equipment and/or Equipment Certificate

Click Next to continue

5. If successful, OSS will provide a Permit ID which then needs to be done "Fulfillment of PB UMKU Requirements in the K/L System"

6. When "Fulfillment of PB UMKU Requirements in the K/L System" is selected, it will automatically be connected to the E-Certification application of the Directorate General of SDPPI of the Ministry of Communication and Information.

7. Automatically, the system sees whether the NIB, PLG ID or email account has been previously recorded on the DG SDPPI E-Certification application, so NIB Confirmation is necessary.

If the email address data used in the E-Certification Application is different from the email address on the OSS, then the PLG ID application needs to be re-verified by the Directorate General of SDPPI.

8. When the NIB Confirmation has been successfully carried out, "Fulfillment of PB UMKU Requirements in the K/L System" will display the OSS LICENSE ID as identification of the Certificate application, then input the Certificate application data by selecting the IZIN ID.

The screenshot displays the 'Aplikasi OSS' section of the e-Sertifikasi system. It includes a search bar for 'Masukkan Kata Kunci' and a table of application records. The table has columns for NIB, ID IZIN, ID PROYEK, NAMA IZIN, INSTANSI, and BIDANG SPESIFIK. The 'Import Data Izin OSS' button is highlighted with a red box and a callout box.

NIB	ID IZIN	ID PROYEK	NAMA IZIN	INSTANSI	BIDANG SPESIFIK
